🕒 21 April 2023

On April 21 2023, Mr.

Narit Therdsteeraskdi BOI secretary together with Mr. Chatri Limpongsai, Director

of Investment Promotion Division 2, and Mrs. Sudakorn Devakul Na Ayudhya,

Director of Investment Service Center welcomed more than 60 printed circuit

board (PCB) manufacturers and related supply chains, led by the China Printed

Circuit Association. Association members are interested in expanding investment

to Thailand. It will gradually invest in a cluster consisting of PCB

manufacturers including raw materials, machinery and equipment and the factory

will be located in the vicinity of each other with the intention of making

Thailand be a production base for electronic components and printed circuit

boards for export to the world market.
