On Monday, April 24, 2023. Mr. Chanin Khaochan (Deputy Secretary-General) and the Investment Promotion Officers team welcomed and discussed with the Industrial Technology Research Institute (ITRI) from Taiwan about the benefits of applying for investment

24 April 2023

Mr. Chanin Khaochan

(Deputy Secretary-General) and Investment Promotion Officers team welcomed and discussed with the Industrial Technology Research Institute (ITRI) from Taiwan

21 persons discussed the benefits of applying for the investment promotion under the current policy and discussed the overview of various industries in Thailand, such as the electronics industry, electrical vehicles, machineries and Automation System. These will provide a guideline for studying the possibility of investment in Thailand in the near future.
